

Colette Baron-Reid's
ORACLE SCHOOL

Welcome, you're in the right place.

My name is **Colette Baron-Reid**, and I'm here to help you awaken the *Magic* that's already inside of you – and partner with the divine to co-create a powerful, abundant life.

In the past 28 years, I have done more than 50,000 readings with Oracle Cards, and I've seen countless epiphanies and transformational shifts right in front of my eyes.

But here's the big secret...

You don't need anyone else to create a connection between you and your higher power.

When you learn to use Oracle Cards, you can have a direct dialogue – without me or anyone else in the middle. The cards are portals to awareness, and to a co-creative partnership.

THAT is empowerment, and it's why I've created Oracle School.

Ignite *your* Magic *within.*

I'm sure there have been times in your life when you were in flow... when doors opened, synchronicities happened, and you felt connected to something bigger than yourself.

But if you're like most people, these experiences have been few and far between.

Most of the time, it feels like life is happening TO you – like there are forces outside of your control that are determining your fate.

Or perhaps you're getting what you want, but it feels incredibly difficult – like you're swimming upstream, and barely keeping your head above water.

Deep down you know that you are the *creator* of your own reality.

But more often than not you feel powerless, and uncertain of the next best step for you.

You're probably here because...

- ✔ You're already on your path of personal or spiritual growth, and something – call it intuition, synchronicity, or curiosity – has brought you here.
- ✔ You've been feeling STUCK, or out of alignment...and you aren't sure how to get back on track.
- ✔ Overwhelm and indecisiveness are part of your day-to-day reality. (You often worry you'll make the wrong choice – so you put off making decisions as long as you can.)
- ✔ You regularly consult astrologers, psychics and/or 'experts,' because you don't feel you can get to the answers you need on your own.
- ✔ You're tired of seeing the world through the limited lens of your 5 senses. • You know there's infinite potential waiting for you...if you could only discover how to access it.
- ✔ You're curious about giving Oracle Card readings to your loved ones – or integrating them into your professional offerings.

IMAGINE...

- **Living your life as it was meant to be** – NOT through the filters of your past experiences, hidden circumstances, or fear.
- **Having a direct line to the Divine** (God, The Universe, Spirit, or whatever you call your Higher Power) and consciously co-creating your extraordinary life.
- **Fully activating your intuitive powers**, so you can access them at any time.
- **Making decisions – big or small – with ease**, and feeling confident that your choices serve the highest good for everyone involved.
- **Discovering and aligning with your TRUE purpose** (and feeling crystal clear about the next steps to take).
- **Creating your uniquely authentic and inspired life.**

This can be your new day-to-day reality. Oracle School will show you how...

SO WHAT IS ORACLE SCHOOL?

It all begins with **Personal Mastery**

Oracle School: Personal Mastery is a 7-week online course that shows you step-by-step how to use Oracle Cards to unlock your full potential – and live your most fulfilling life.

This isn't about becoming a 'card reader' or a psychic.

Believe it or not, Oracle Cards are just a tool. Like Harry Potter's wand or a Jedi's lightsaber, it's not the cards that hold the power – it's YOU. The cards are simply an instrument to help you communicate with your higher power, and manifest in partnership with Spirit.

They will help you understand the consequences of certain choices...and illuminate the path that's for your highest good. With this broader lens, new possibilities may become apparent that were previously unavailable to you.

With continued use of the cards, you'll become more spiritually aware – and create a prosperous life beyond your imagination.

In Personal Mastery, You Will Learn:

- + How to use Oracle Cards as a tool for personal growth and self-mastery
- + How to ask the right questions...and read the answers accurately
- + The differences between Oracle Card systems – and how to choose the right cards for you
- + How your emotions influence readings...and how to get into a neutral state (so you can tap into the true power of the cards)
- + Common mistakes when reading the cards, and how to avoid them
- + An introduction to the Universal Laws, and the role they play in Oracle Card readings
- + How to ignite more synchronicity in your life (with the power of intention)
- + How to use the Oracle to awaken to your uniquely authentic and inspired life

Everyone begins here. You may choose to complete Personal Mastery on its own, or in combination with the next level of Oracle School...

...Your Journey Continues with *Shared Wisdom*

After Personal Mastery, you'll continue on to Shared Wisdom – a one-year program that will take you deeper and higher into the hidden realms of the Oracle – and transform EVERY area of your life.

This is where the magic deepens.

Whether you want to increase your financial abundance, experience more love in your life, become a better mom, find your purpose (or let your purpose find you!)...

Nothing is off the table in this comprehensive program.

Shared Wisdom takes place in 3 parts:

PART 1: THE COURSE	PART 2: THE CAMP	PART 3: THE INTERNSHIP
<p>The Shared Wisdom course follows a similar format to Personal Mastery – with brand new “next level” content. Shared Wisdom is all about transformation. In this 7-week course you'll discover that Oracles are capable of speaking to you in countless ways – and that divine guidance is always available to you (even outside the cards). With this new understanding, all the messages that have been hidden in plain sight will become obvious to you. The seemingly mundane events of your day-to-day life will suddenly come alive.</p>	<p>Who heard of a school that no one wants to leave?? The fun never stops at Oracle School, where your Facebook group converts into “Camp” in between sessions! This time is all about continuing to play and practice with the support of your Mentors + tribe – because in my experience, your biggest epiphanies will come from peer-to-peer engagement. I'll drop in regularly to check in on you and share words of encouragement, interactive exercises, and even some surprise Facebook LIVES!</p>	<p>Now it's your turn! In Personal Mastery, you will have experienced firsthand what it's like to be supported by our Oracle School Mentors. Now, you'll mentor the next group of students in Personal Mastery – putting all your training into action, as you serve as a witness to someone else's awakening. That's what Oracle School is all about... paying it forward. As you share your wisdom and enthusiasm with others, your confidence will continue to grow – and your connection to the Divine will deepen in ways you can't yet imagine.</p>

In Shared Wisdom, You Will Learn:

- + Discover new layers of your inner journey – with deeper insights from both your intuition and your communication + co-creation with Spirit
- + Gain confidence in your ability to influence reality by mastering specific Universal Laws (accompanied by Oracle Cards)
- + Learn to be in the role of mentor, coach or healer without getting tired or overwhelmed (staying empowered in your own energy – even as you are supporting others)
- + Expand your mystical understanding of the world around you – including signs and symbols, synchronicity, spirit animals, dinner plate readings, and much more – in a practical, fun + modern way
- + Become adept at giving readings for others, so you can share the wisdom presented through the cards... and never have to make small talk again!
- + Learn to communicate with others in an empowered, neutral and creative way that you can take with you into ALL of your relationships
- + Spend more and more time in an open, curious, playful space – and watch as your desires manifest more quickly and effortlessly than ever before
- + Become a Certified Oracle Guide!

Become a *Certified Oracle Guide!*

After successfully completing both Personal Mastery and Shared Wisdom, you will graduate as a Certified Oracle Guide.

Certification is not about becoming a professional card reader. (You need no one's permission to answer the call to the intuitive arts!)

It does signify that you have the skill and expertise to use Oracle Cards as a powerful tool for divine dialogue in ALL aspects of your life – for yourself and others.

It's about recognizing how far you've come to get to this point... the commitment you've shown to both your own personal transformation and being of service. Most importantly, you have learned the secrets of co-creation and the capacity to manifest an extraordinary life.

THIS IS A TRUE SACRED JOURNEY MARKER.

It's a proclamation that you have achieved the self-worth + confidence to share your wisdom in the world and shine your brightest light. It will always be a reminder of how far you've come.

Are you ready?

NOT YET SURE YOU WANT GET CERTIFIED?

Meet Your *Guide to Magic*

Colette Baron-Reid is an internationally acclaimed psychic medium, thought leader, wisdom teacher, and bestselling author of books and Oracle Cards published in 27 languages. She's also the star of the TV series, Messages from Spirit (VisionTV), and host of the weekly call-in Hay House radio show "Ask the Oracle."

Colette's fans lovingly call her "The Oracle" and the late Wayne Dyer deemed her readings "100% credible." Seen and heard on talk shows globally, Colette's guest appearances include Dr. Phil, Dr. Oz, Oprah and Friends Radio, and The Today Show.

With her laser sharp intuitive insights, compassionate candor, and hilarious personality, Colette delivers messages of hope and reminds us all that we are empowered to co-create with Spirit on our side – and not passive victims of circumstance. As she says, "You are here for a reason. You are more than you know, powerful beyond measure. You are loved. When you need to be heard, Spirit is always listening."

With over 28 years of full-time experience reading for over 50,000 clients across 29 countries, Colette finds solace and relaxation on her peaceful 25-acre farm. When she's not writing books, wowing audiences, training coaches, and talking to dead people, she's usually riding her Harley, (yes, you read that right) and hanging out with her husband and 3 pomeranians on her farm in Canada and other interesting places around the world.

- You don't believe in any form of Higher Power (call it God, The Universe, Spirit, The Force, or whatever you like).

- You know there is more to life than just the mundane.
- You're a seeker of MAGIC, and you're ready to find it.
- You're willing to do a deep dive into yourself and your dreams – and co-create the extraordinary life that is waiting for you.

It's Time to Awaken the *Magic* Inside of You...

If you've read this far, you owe it to yourself to honor the whisper inside...the one that's quietly insisting, "This is what you've been searching for. Don't let this opportunity pass."

Can you hear it?

Listen – you can absolutely co-create a powerful, magical life – no matter what the current conditions of the world. You can have the joy...the financial abundance...the fulfilling relationships you desire.

But you have to willing to meet your Higher Power half-way.

Messages are coming through for you all the time.
You simply don't yet have the tools to hear them, YET!

This isn't a 'talent' or gift that is reserved only for a special few.

With the right training, and a little practice, ANYONE can read Oracle Cards.
(And just like any skill, it will become easier and more intuitive for you over time.)

Oracle School will give you the skills and support you need to create your own personal link to the Divine – a direct connection to deeper wisdom and intuition, beyond the limiting view of your mind and thoughts.

Something inside of you is stirring, and ready to awaken.

Will you answer the call?

Love you always and forever!

Love
Colette
xoxo
